Top 10

reasons to support

Aleister Crowley

in 2012

10. If you are fed up with the election process, for whatever reason, **Aleister Crowley** provides a **more meaningful choice than Mickey Mouse**.
9. You can get a photo posted on our blog — of yourself, your favorite hang-out, or anything else which includes an **AC2012** poster, t-shirt or other propaganda that you can make yourself.
8. Looking for a way to stir up controversy at the next party you attend? Mention **AC2012** to a couple partisan voters and **watch the sparks fly!**
7. The campaign provides **an easy way to change the subject** when someone starts talking about the Mayan calendar or Terence McKenna.
6. Whether your aesthetic sense could be called goth or punk, and whether you are an anarchist, communist, syndicalist, or fascist, **our campaign image will match your wardrobe**.
5. Since this campaign is a means to promulgate the **Law of Thelema** (thereby helping to establish your own freedom), supporting this campaign (whether you actually vote for Aleister Crowley or not) could reasonably be considered part of **your True Will**.
4. Help to **overturn ubiquitous slave morality** of both Christianity and secular humanism.
5. Help to **educate people** who have only heard the tabloid journalism about Crowley propagated by the Spectacle.
2. **Why settle for the lesser wickedness?**
1. **Aleister Crowley only needs 1%** of the vote to send his message of liberty around the world.
